Hi Everybody, 6/20/94

I thought one hunky postcard deserves another! But I didn't go to Florida to get it. Sorry to hear about your bad "experience" on your trip but I'm glad everything turned out O.K.

Sure been having some hot weather. Haven't been bothering me as long as I've got my fan and chair at work.

Have my next Drs. appointment on Wednesday. Should have a good report from her this month. Talk to you soon Love Yuli
